

The diagram shows a rectangular template for a car flag. It features a solid black border. Inside this border is a red dashed line forming a smaller rectangle. The text 'Imprint Area' is written in red at the bottom left of this red dashed rectangle. The text 'Bleed Area' is written in blue at the bottom center of the entire template. The text 'To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.' is located at the top left of the red dashed rectangle. The text '7.5" x 10.5" Car Flag Template (100% Scale)' is located below the first line of text. The text 'CCFP-75E' is located below the second line of text. The text 'Imprint Area: 5.5" x 8.5"' is located below the third line of text. The text 'Notes:' is located below the fourth line of text. The text '- Keep all artwork away from the edge (reflected by the red dotted line) of the template.' is located below the fifth line of text. The text '- Any artwork that is intended to run off the edge requires bleed past the edge (reflected by the blue dotted line).' is located below the sixth line of text. The text '- Use ONLY Pantone Solid Coated colors' is located below the seventh line of text. The text '- Convert all text to outlines' is located below the eighth line of text.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.

7.5" x 10.5" Car Flag Template (100% Scale)

CCFP-75E

Imprint Area: 5.5" x 8.5"
