

INSTRUCTIONS

Car Fuel Door Cover

Includes:
Stretch Polyester Cover with Elastic Band

Note:
Cover will stretch to fit round and square gas door covers

1

Open up the fuel door on your vehicle.

2

Place the Car Fuel Door Cover over the outside of the vehicle's fuel door cover and stretch the elastic band around to the backside, using the elastic band to give it an appropriate fit.

Note: The Car Fuel Door Cover is designed for fuel doors that are 6.5x6.5" to 8.25x7".

3

Close the fuel door on your vehicle to secure the Car Fuel Door Cover in place.
