

INSTRUCTIONS

Retractable Banner Stands

Includes:
Base
Carry Bag
Sectional or Telescoping Pole
Graphic (attached)

1

Remove Sectional or Telescoping Pole pieces from the Base.

2

Assemble pieces by connecting each of the Sectional or Telescoping Pole pieces together.

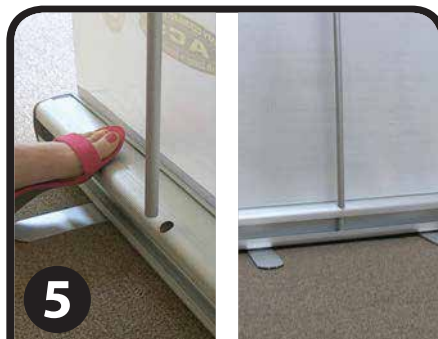

3

Flip the Base over and rotate the feet to sit perpendicular to the Base.

4

Stand at the back of the Base and begin to gently pull the banner upwards. Clip the hook at the top of the assembled Sectional or Telescoping Pole to edge at the top of the banner.

5

Place the bottom of the Sectional or Telescoping Pole into the hole in the center of the Base to secure the banner once it is unraveled.
