

A diagram of a banner template. It features a thick black curved pole sleeve on the left side. The main body of the banner is white. Three dashed lines are shown: an orange dashed line at the top left, a blue dashed line following the curve of the pole sleeve, and a red dashed line forming a rectangular border around the main content area. The text is located within the white area.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.

Notes:

- Keep all artwork away from the edge (reflected by the **red dotted line**) of the template
- Any artwork that is intended to run off the edge requires bleed past the edge (reflected by the **blue dotted line**)
- The Pole Sleeve is black by default, the background color(s)/image(s) can be used but will carry an additional charge and requires additional bleed (reflected by the **orange dotted line**)
- **Use ONLY Pantone Solid Coated colors**
- **Convert all text to outlines**
- **All raster images (like photos) must be sized at 100%**
- **Maximum resolution should be no higher than 300 dpi or less than 150 dpi at the final size**
- **All images must be embedded**
