A diagram of a banner template. It features a thick black curved pole sleeve on the left side. Three concentric curved lines extend from the pole sleeve: an orange dashed line (outermost), a blue dashed line (middle), and a red dashed line (innermost). The area between the red dashed lines is the imprint area, and the area between the orange dashed lines is the bleed area.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.
