## FLAGS

Millions of flags are created each year as a symbol, a signaling device or for decoration... from national and state flags, to custom flags printed with branding messages, from sport teams to special events.

**We can custom print anything you want on a flag of any size, from hand-helds to stadium-sized flags.**

## PENNANTS

What started as a flag at the end of a knight's lance has now blossomed into two other ways to signal a celebration today: sports and collegiate teams, as well as special sales or events.

**These colorful wind-blowing attention-getters can be singles or strung together. All can be custom printed!**
