

A diagram of a banner template. It features a large black curved shape on the left representing a pole sleeve. Three concentric curved lines extend from the sleeve: an orange dashed line (outermost), a blue dashed line (middle), and a red dashed line (innermost). The area between the red and blue lines is the 'Imprint Area', and the area between the orange and blue lines is the 'Bleed Area'.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.
