

A diagram of a pennant boat flag template. It is a long, narrow triangle pointing to the right. A solid black line forms the outer boundary. Inside this, there is a red dashed line and a blue dashed line, both parallel to the outer boundary. The red dashed line is closer to the outer boundary than the blue dashed line. The area between the red and blue dashed lines is labeled 'Imprint Area'. The area between the blue dashed line and the outer boundary is labeled 'Bleed Area'. The word 'FRONT' is written in large, bold, black capital letters in the center of the triangle. On the left side, there is a block of text providing instructions and specifications. At the bottom left, there are labels for the 'Imprint Area' and 'Bleed Area' with corresponding dashed lines.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.

36" x 60" Pennant Boat Flag Template (100% Scale)

CBP-3660PD

Imprint Area: 33.25" x 55.5"

Notes:

- Keep all artwork away from the edge (reflected by the red dotted line) of the template
- Any artwork that is intended to run off the edge requires bleed past the edge (reflected by the blue dotted line)
- **Use ONLY Pantone Solid Coated colors**
- **Convert all text to outlines**
