

A diagram of a swallowtail boat flag template. It features a central swallowtail shape defined by solid black lines. This shape is enclosed within a larger rectangular area defined by a red dashed line, which represents the imprint area. The entire template is surrounded by a blue dashed line, representing the bleed area. The diagram is oriented horizontally, with the swallowtail pointing to the right.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.
